STAT   Data project

SEMESTER PROGRESS: 200 points

P01   10 points
P02   9 points
P03   19 points
P04   23 points
P05   23 points
P06   19 points
P07   22 points
P08   15 points
P09   8 points
P10   26 points
P11   19 points
P12   7 points

Intermediate submissions will be graded for quality. Students can earn back a quarter of lost points with corrections.

POSTER: 40 points for production of poster (timely completion/ adherence to poster requirements/appropriate choices of material selected from paper for poster format/care-neatness-presentation)

PRESENTATIONS: 20 points   When your data are presented in class, you will be graded on quality of presentation/interpretation of graphics/explanations/ability to answer questions.

PARTICIPATION: 40 points

The participation component reflects willingness to use class time well. That includes:

---presence in the classroom: on-time arrival in class, ready to work, contribute, and listen;
---behavioral components (noise, side conversations/cellphone and computer use)
---making appropriate comments or LISTENING/reacting to appropriate comments
---purposeful use of class time, alliance with the Project-Based-Learning model

Late penalties will be deducted for failure to meet deadlines for intermediate steps P01-P12. Late penalty for poster: 4 points a day.
