חֲנוּכָּה

“Dannon”

“Lite and Fit”

“GREEK”

“Blueberry”

“Yogurt”

The Jewish people were in great “Dan”ger, because the יְנָיִים told them to be part of their culture and society, and do “non”e of the mitzvos.

We “Lite” the menorah for 8 days because of 2 miracles: There was only enough oil to burn for one day and it burned for 8 days; “and” also because we defeated the יְנָיִים. The most important reason for doing the מְצוּה is for פְּרִסוּמֵי נִסָּא, as we try to light the menorah near a window, and not more than 20 אַמּוֹת above the ground.

Since the halacha is--הַדְּלָקָה עוֹשָׂה מְצוּה-- , the menorah must be “Fit” to be put in a proper place immediately when lighting it, such as on a table, away from a door, so a wind draft won't blow it out.

The יְנָיִים---the “GREEK”s especially tried to stop us from doing 3 specific mitzvos: שַׁבָּת, רֵאשׁ חֹדֶשׁ, בְּרִית מִלְכָּה.

If the lights accidentally “Blue” out, you do not have to re-light them, because --- כְּבִתְהָ אֵין זְקוּק לָהּ .

The leftover oil cannot be thrown away, but it can be used for another mitzvah, or it must be “berry”ied. Since the נֶס also happened with יְהוֹדֵית , cutting off the head of the Greek general, by giving him cheese to put him to sleep; therefore the מְנַהֵג is to have dairy foods on חֲנוּכָּה, such as cheese and “Yogurt”.

Please note: Even though some greek yogurts are kosher-certified; Dannon Lite Greek yogurt cultures, and Greek society and cultures, are both not kosher certified, and not acceptable!!)
