Project Reflection

Instructions:

Please use the following questions to guide your reflection of the Chopped experience. Please answer thoughtfully and honestly. You may attach additional paper for writing if necessary.

1. What have you learned from experiencing *Chopped*?

2. What was a challenge of this project?

3. What was the most difficult thing to learn in order to successfully complete the project?

4. What was the most difficult thing to do in order to successfully complete the project?

5. What is something that you are especially proud of regarding your final product for this project?

→

6. What is something that you are especially proud of regarding your work process for this project?

7. How has this project impacted your ability to determine the *brachot* of meals and dishes beyond what we learned about in class? (please provide an example if you can)

8. How has this project impacted the way you see yourself as a *talmidat halacha*?

9. How can this project and the project experience be improved for the future?

10. What advice would you give to someone starting this project for the first time?

11. How has (or can) reflecting on the experience of this project effected your learning?
