**Key words of all students in responses to open ended questions # 12 and # 13:**

**12. How do you feel about this course?**

Amazing, important and interesting, amazing and learning something new every time, I don't really know how I feel, amazing, fun and Dr. H. explains it very well, very informative, interesting and fun, I learned a lot, every Jew should take the course, amazing experience, course about Jewish history not taught anywhere else, course helps me, I learn a lot and I enjoy it most of the time, very educational, learned about different types of antisemitism and different types of Zionism, lots of information and can get confusing.

**13. How would you describe the course to someone who has not taken it?**

Learning about important and interesting history, very interesting and learning a lot, if you learn about Jewish history, this would be a great class, very interesting, interesting and fun, very worth it and full of information about Judaism, you learn things that will be useful later in life, course is about antisemitism towards Jews who were the only people without a country, course about Jewish history, this course will give you an education, a wonderful learning experience, we learn about antisemitism and not the holocaust, detailed explanation of Jewish history and the struggles of the Jewish People for equal rights, course about antisemitism in Eastern and Western Europe. I recommend the course to those who want to learn about our past.
