

כל ישראל יש להם חלק לעולם הבא  
כל ישראל יש להם חלק לעולם הבא

(Sing to tune of Avraham Fried's Kol Yisrael song on "Aderaba")

I've got a piece of land  
I'm building something grand  
A beautiful palace in עולם הבא  
I'll grab mitzvot on my way  
Make a difference in someone's day  
I'm building my palace in עולם הבא!

Every mitzvah that we do builds our חלק  
Let's build a palace in עולם הבא  
Every mitzvah that we do builds our חלק  
A beautiful palace – *bringing glory to Hashem...*
