Rabbi Hellman,

We wanted to express our deepest gratitude for such a moving and meaningful evening that you created for the children and families. We found the program haunting, healing, inspiring, and hopeful. I imagine that this experience will have a permanent imprint in our hearts and minds for many, many years. Collectively, because of your efforts, we will truly "Never Forget."

Most sincerely,
Shera and Doug D.

Hi Rabbi Hellman,

I want to let you know that it was such a beautiful program! The presentations by the students were powerful and thought provoking.

Thank you for putting this together and letting us and our children partake in this memorable day. I am sure that they have internalized this message and will pass it on to their future generations!

Never again.

Best,

Hi Rabbi Hellman,

Just wanted to tell you that I thought the program tonight was very well done. It was obvious that a lot of work went into it. The kids were amazing and genuinely seemed interested in what they were doing. They did a beautiful job with a very difficult topic.

Thank you for your hard work,

Renee F.
