

3/4/16

Dear Mrs. Peters,

I learned a lot of facts from this Book Day. One fact I learned was that Africa didn't have electricity. Another fact I learned was that windmills don't just pump water but also electricity. The last fact I learned that a Kalimba is also a thumb piano.

The activities that you planned were amazing. One activity that I thought was amazing was the end activity. Mancala was an amazing activity for Book Day. Thank you so much for making this the best Book Day ever.

Sincerely,  
Milli
