Cooperate Song:

Operate means work.
Co means together.
When you cooperate,
You get the job done better.

When there is a job to do,
Get to work, right from the start.
But don't do it all yourself,
Let others have a part.

Even if you think you know
How to do it better,
Be a member of the team
Make sure to work together.

Operate means work.
Co means together.
When you cooperate,
You get the job done better.

Help Others Song:

There are so many ways,
Every single day,
To help a friend, a sister, brother, father,
mother.
Look around and see.
Listen carefully.
Run right over, offer help, and do it
speedily.

Hashem gave us the tools
To use at home or camp or school
Eyes, ears, mouth, hands, feet,
Help anyone you meet.

Don't let the Yetzer Hara stop you.
It won't take too long.
And if you think you won't remember,
You can sing this song.

Avoid a Fight Song:

I don't want to have a fight.
I just want to get along.
If you listen carefully,
You will hear my song.
Instead of getting angry,
I will show you what I do,
I fold my hands and use my words.
So I can talk to you.

I will use an "I message."
So I can tell you, that what you did, I do
not like.
And when you try to talk to me,
I'll listen carefully
And we'll avoid a fight!
