Cooperate

Do your job and do it well.
Don't expect others to do it for you.

Give others a chance, too.

Don't take away someone else's job.

Help others

Notice when someone needs help.

Listen for someone asking for help.

Offer help, even before being asked.

Help right away when asked.

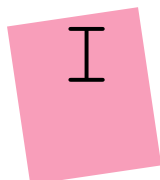

Avoid fights

Walk away and do something else.

Ask yourself, "Is it worth a fight?" If it's

not, let it go.

Don't add fuel to the fire.

(no name calling, no yelling, no hitting)

Fold your hands and use your words.
