

## שמות

When פרעה commanded שפּרה and פּוּעָה to kill all newborn Jewish boys, they risked their lives by not listening to פרעה, the king of the most powerful country, for only one reason: They were **not** afraid of פרעה at all; they only feared Hashem! Do you know why they were called שפּרה and פּוּעָה?

The posuk tells us their reward for only being afraid of Hashem: Great families came from them. Rashi teaches us from יִכָּבֵד --families of כְּהֵנָה --גִּלְוָה-- Kohanim and Leviim, and from מְרִים --מַלְכוּת-- kings.

Do you really have true יְרֵאת שָׁמַיִם (fear of heaven)? Do you want your family to receive great blessings from Hashem?? Are you always afraid of Hashem, or just sometimes? Do you ever forget that Hashem is right there all the time, watching and listening to everything you say, do, and even think?

What lessons can we learn about the importance of יְרֵאת שָׁמַיִם ?
