

Yeshivat Noam Holocaust Project Requirements 2016

Each student will research an individual who lived during the time of the Holocaust. They will research this individual's life to gain knowledge and information. The data collected will be used to create the project.

Project Requirements:

1. **At least one photo** of person/family.
2. **Artifact:** real OR replacement- which is important to the story.
3. **Creative Piece:** Either- Visual- Drawing, Painting, Sculpture, Collage, Mixed Media, Mosaic, Decoupage....
4. **Written Piece:** Postcards, Letters, Journal, Map, Story, Poem, Song, Newspaper Article, Ad/Propaganda Piece.
5. **Public Speaking:** Create written bullet points/talking points for your presentation.

The 4 elements of the project will be displayed together as a museum installation telling the story of the individual's life you researched. You are the "expert" who will be curating this exhibit.
