Aryeh: Mr. Avi: You need to pay Mr. Aviel \$500.00

Meir: Mr Yossi and Jacob: Thank you for testifying. You have done a great service.

Jacob & Yossi: We are just doing our duty.

A knock at the door.

Aryeh: Yes?

Eli (with Yossel): Your honor we came to testify about the 2 witnesses.

Meir: Go ahead.

Yossel: Your honor, yesterday at 12:30, Jacob & Yossi were with us in the science room.

Meir: AHA! So you couldn't have been in the cafeteria, and you did NOT really see the fight?

Yossel: That is correct, your honor, they were with us.

Menachem: Mr. Avi Klein, you are free to go, you do not have to pay.

Meir: As for you, Yossi & Jacob, you have to pay the court \$500.00

Y & J: What? No way, we were just repeating what Aviel told us to say.

Aryeh: That's lying in court. You must pay what the defendant was going to pay.

Menachem: And you, Mr Aviel, you will never be trusted in court. Don't ever do this again.

Aviel: But, but...

Menachem: That's it. Case closed.
