

## *CEREAL OF THE WEEK*

חיי שרה

**“LIFE”**

**“ORIGINAL” “MULTI” “GRAIN” “CEREAL”**

The **“LIFE”** of שרה was 127 years. Rashi tells us all the 127 years were “all equal in goodness-הטובה-לכולן שווין”.

עפרון **“ORIGINAL”**ly told אברהם he could have the burial place-המכילה free of charge, but ended up charging him lots of money! What is the lesson here?

Hashem promised אברהם he would be the father of a **“MULTI”** multitude of nations, and his children would be as numerous as the **“GRAIN”**s of sand at the seashore.

The main reason אלהים chose רבקה as a wife for יצחק was because, as Rashi says, she was גומלת חסדים-she does acts of kindness. We can **“Ce”** (see) the **“Real”** reason רבקה was chosen to be one of the 4 אמהות-mothers of the Jewish people, and not because of any other reasons! Can you imagine that?

What important lesson can we learn from this?
