

CEREAL OF THE WEEK

גַּח

“Total” “Raisin” “Bran”

Hashem told גַּח a מַבּוּל (flood) was soon to come and would cause “Total” destruction.

וַתְּמַלֵּא הָאָרֶץ

“מַיִם”

It “Rai”ned for 40 days and 40 nights. The reason that Hashem caused this to happen was because everyone was committing so much crime, especially the “Sin” of robbery and stealing from each other.

After the waters completely dried, גַּח left the תְּבַהּ and looked at the “Bran”d new world.
