"כל המשלים פרשיותיו עם הצבור מאריכין לו ימיו ושנותיו"

### **2) I said the Shem slowly and correctly!**

The dalet must be pronounced with a clear cholem: Ah-doe-noi, and not with a sheva: Ah-di-noi or Ahd-noy, which are common mistakes and invalid!

(The accent is on "noi.")

**If the Shem is said incorrectly (Ah-di-noi or Ahd-noy),  
the בְּרָכָה must be repeated! (Also kerias Shema, kiddush,.....!!)**

### **3) I did NOT talk during Chazoras HaShatz! \_\_\_\_\_**

(Shulchan Aruch-OC 124:7- "v'gadol avono minso" "his sin is too great to carry.")

\_\_\_\_\_  
(Regarding the terrible aveira of talking during Chazoras Hashatz!)

### **4) I said קריאת שמע על המטה every night!**

Don't fall asleep before saying it!

### **5) I waited to say אָמֵן until the last syllable of the בְּרָכָה**

was completed, and not one second too soon! (For example, at kiddush on Shabbos night, you cannot answer אָמֵן until after the "bos" of Mekadeish HaShabbos is said. If said too soon, you literally have missed the **-bus!**)
